Dear Prospective Member:

On behalf of the Board of Directors and our membership we invite you to get acquainted with Goldendale Golf Club! GCC has many wonderful attributes that include a beautiful golf course highlighted by views of Mt. Adams and Mt. Hood. Bloodgood Creek flows through the property providing those must have water holes that golfers love! Established in 1924, our course is rich with history and pride. The GGC is a nonprofit entity made up of its members. Through cooperative efforts we are able to provide golf opportunities to the citizens of Goldendale. It takes members to finance the club and volunteer their labors to assure that we have golf in our community. We believe that everyone benefits from membership in our club. In addition to helping assure golf in Goldendale, membership would allow you and your family hours of enjoyment, exercise and camaraderie. We need people like you and your family to help in our cooperative effort to provide golf for Goldendale. GGC is one of the best values around! Our membership is friendly and ready to welcome you! Come join us!

For details on membership please contact Keith Johnson Golf Professional, Goldendale Golf Course.
